

# Southern Cross<sup>®</sup>

ZIP SCUFF PR 392661

The Southern Cross Zip Scuff is an ankle boot with an industrial grade side zip for easy, quick access and an abrasion resistant scuff cap toe cover for extra protection to the leather.

## Description

150mm lace-up ankle boot with padded collar and tongue plus quick release side zip and scuff cap.

## Upper Materials

Full-grain cowhide water-resistant leather upper and double stitched in nylon thread. Noncorrosive lacing.

## Toe Cap

200J Safety Steel.

## Lining Materials

Fresche<sup>®</sup> Bioscience is applied during the manufacturing process to provide antibacterial and antimicrobial protection to the boot. Fresche<sup>®</sup> Bioscience is a sustainable and renewable resource that prevents odours caused from bacteria providing longterm protection against bacteria and fungus.

## Full Innersole

A full length footbed that is inserted into the footwear to offer additional support and comfort. This footbed is made from soft polyurethane that will retain its shape and thickness throughout the life of the boot.

## Insole

Heavy-duty, flexible anti-bacterial non-woven insole.

## Midsole

Directly moulded Polyurethane midsole for greater shock absorption. Penetration resistant midsole reduces chance of sharp objects piercing the sole.

## Outsole

Antistatic Thermoplastic Urethane (TPU) outsole for superior wear properties. Heat resistant to 130°C.

## Trisole<sup>®</sup> Comfort Technology

The Steel Blue soling system is a patented three density soling system that offers a high level of comfort, shock absorbency and energy return. The system uses PORON<sup>®</sup> as energy absorbing pads under the pressure points of the foot to give the wearer superior comfort and offers similar shock absorbency and comfort to sports footwear.

## Colours Available

## Sizes Available

NZ Full Sizes: 5-14  
NZ Half Sizes: 7<sup>5</sup>-11<sup>5</sup>
