

ESKO BASE1, LONG SLEEVED TOP

A4TTOP-BLKB

Inspired by sport and training gear, Esko developed Base1 to move with you all day. On the job site, from your morning toolbox to bending, stretching and eating lunch, you'll be comfortable and chafe free.

Biomechanically enhanced, Base1 is designed with supportive pressure where you need it, and at the same time, your muscles are free to move.

FEATURES

- **Freedom of movement:** Technical layering
- **Wraps around your body:** Seamless body mapping
- **Comfortable & chafe free:** Light and quick dry
- **Made from:** 70% Polypropylene, 20% Polyamide, 10% Elastane.

PRODUCT USES

- When you're in action all day and love to move freely
- Technical layering is your thing
- You need light and quick dry
